THE SECRET FOR A SUCCESSFUL POOL

SINCE 1964

INNOVATION 2015

AquaRite+

REMOTELY CONTROL AND MONITOR YOUR

AquaRite+ is:

A BOX TO CONTROL YOUR POOL REMOTELY

Whether in your living-room or in any other place with internet access, **you get real-time information about your water quality** (pH, chlorine levels, temperature, etc.) and **you can control** the various pieces of equipment, such as the filtering system, heat pump, lighting, and so on – **irrespective of what make they are.**

A SALT CHLORINATOR

For **optimal treatment** of your water without adding chlorine tablets.

HAYWARD
TECHNOLOGY

The AquaRite+ special features

The screen can be detached in seconds, giving even easier access to your pool from your smartphone or tablet over Wifi, for precise, made-to-measure s

POOL 

Control filtering periods

Control heating equipment

Control lighting

Control additional equipment

Control salt chlorination

Control pH

Control redox

MULTIPURPOSE

Can control up to **7 pieces of equipment**.

5 filtering modes available (manual, automatic, intelligent, smart and heating) for more flexible use.

RELIABLE

Uses a **Turbo-Cell** that reduces calcium build-up and delivers greater long-term efficiency.

2 YEAR
GARANTEE

settings. You can control your box system management!
