

PoolVac v-FLEX™

Packed full of new cutting-edge technologies

- **V-Flex, patented moving vane turbine technology** that optimises pool cleaning to capture larger debris
- **The exclusive AquaPilot steering system provides** an optimised cleaning path to ensure complete pool coverage
- **Unique hydrodynamic design** for unhindered in-pool movement
- **Easy, tool-free installation**
- **Robotic cleaner ideal for use with a Hayward variable-speed pump:** the cleaner operates at low speed to preserve the energy savings made by the variable-speed pump

YEARS OF WARRANTY
